ADMINISTRATION

The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the State Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri financial institutions or in short-term United States government obligations or other instruments as provided by Article IV, Section 15 of the Missouri Constitution. Safety and liquidity are the State Treasurer's priorities in the investment of the public's funds. The State Treasurer monitors capital markets and works to maximize the return on the state's \$17.2 billion portfolio without compromising safety, earning the state millions of dollars in interest income each year.

The State Treasurer is also responsible for all state banking services, for authorizing all state payments and for reconciling those accounts. The State Treasurer establishes bank accounts for the collection of state moneys and for the receipt of all electronic payments. To protect taxpayers' money, the State Treasurer maintains a separate accounting system to provide a check and balance on the Office of Administration accounting system, and distributes investment earnings to the proper funds.

Additionally, the State Treasurer is tasked with the biennial transfer of funds to the General Revenue Fund and the transfer of excess interest earned on the debt offset escrow account as set forth in Section 33.080, RSMo and Section 143.786, RSMo.

MO BUCK\$ INTIATIVE

The MO BUCK\$ linked deposit program encourages economic growth and development in Missouri. It enables the state to provide reduced-rate deposits to financial institutions, which in turn make low-interest loans to eligible borrowers, as specified in Section 30.750, RSMo. Qualified borrower categories include agriculture, job creation, small business, alternative energy, local governments, or other authorized categories. Under the MO BUCK\$ linked deposit program, the State Treasurer places deposits in Missouri financial institutions at a discount of up to 60 percent on the normal market interest rate. In turn, the financial institutions pass on the interest-rate savings by making loans to qualified borrowers at interest rates no more than 70 percent of the market rate. If the lending institution does not loan the full amount of the deposit, the institution must pay the state the difference between the market rate and the reduced linked deposit rate. If the State Treasurer determines that the lending institution miscalculated and overpaid additional interest, a refund is made to the lending institution.

UNCLAIMED PROPERTY AND THE ABANDONED FUND ACCOUNT

The State Treasurer administers the state's unclaimed property program by collecting, safeguarding, and working to return unclaimed property sent by financial institutions, insurance companies, private businesses, and public agencies. The State Treasurer's Office holds this cash and property until the owner or heir can be located or comes forward. The Treasurer is committed to returning as much unclaimed property as possible and continues to break records in this area. As required by state statute, the Treasurer also annually notifies owners of their unclaimed property via postcards sent to their last known address as well as by taking out advertisements in local newspapers.

In accordance with Section 447.543, RSMo the abandoned fund account receives and holds these unclaimed funds, making payment of valid claims. Any time the abandoned fund exceeds 1/12 of the previous fiscal year's disbursements, the State Treasurer may, and at least once every year shall, transfer the excess to general revenue. If verified claims for payment should reduce the balance in the account to less than 1/24 of the previous fiscal year's disbursements, the State Treasurer shall transfer from general revenue an amount sufficient to restore the fund to 1/12 of the previous fiscal year's disbursements. Additionally, pursuant to Section 470.020, RSMo the State Treasurer makes an annual transfer from the abandoned fund to the public schools fund equal to 5% of net transfers from the abandoned fund to general revenue.

ISSUING DUPLICATE AND OUTLAWED CHECKS

The State Treasurer is charged with replacing state-issued checks in the event they are not presented for payment within the legally required 12-month period pursuant to Section 30.200, RSMo.

CENTRAL CHECK MAIL SERVICE

The State Treasurer operates a centralized check mailing service for state agencies pursuant to Section 30.245, RSMo that allows the state to take advantage of bulk mailing rates and consolidation of payments to a single vendor.

MO SCHOLARS

The MO Scholars Program provides educational options to Missouri students and families. Additionally, the law provides for state tax credits for contributions to approved, non-profit Education Assistance Organizations (EAOs). These EAOs use the contributions to award scholarships to eligible Missouri students. The State Treasurer administers the fund and monitors compliance pursuant to Sections 166.705-166.720 RSMo.

FY 25 TAFP Flex should be the amount of flex in the FY 25 TAFP bill, not the flex amount requested.								
Many departments will only have flex between PS and E&E.								
For flex that is not between two appropriations but is instead between Appropriation Bill sections or for programmatic purposes, departments do not need to list all of the approp numbers, fund numbers, and appropriation amounts. See Sections 10.235, 10.300, and 10.540 for examples of this type of flex.								
Departments do not need to request flex authority to the Legal Expense Fund.
